

20th October 2020

Dear Parents and Carers,

As we begin the last week of the half term, I wanted to write to you to let you know how very proud I am of the children and staff who have returned to school since September with big smiles and a positive attitude.

The children have very quickly adapted to the new timetables, which keeps them in bubbles, unable to mix with other children from other year groups. They have responded so well to the 'new normal' and overall their behaviour has been excellent.

I am very privileged to be able to spend time walking around school and observe the children really enjoying their lessons and being back at school.

The staff have showed such a positive attitude and their willingness to go the extra mile has been outstanding. This has been a very challenging half term with lots of new routines. The changes to the school day means that staff have a very short break and due to some staff self-isolating they have been amazing at covering each other. They deserve their half term break!

I know that we have had to close some classrooms due to positive Covid cases and I appreciate how difficult this is for parents; however we only do this on the advice from Public Health England.

Last week the Health and Safety Inspector undertook an inspection of our schools. They felt we were doing a good job ensuring our schools are as safe as possible. They have advised us to keep all the windows open throughout the winter months to ensure our classrooms are well ventilated. This helps stop the spread of the Covid virus.

Please ensure your child wears extra layers to keep warm e.g. a vest, thermal layer, long sleeve t-shirts.

Best wishes,

Sue Bridges
CEO Cascade Multi Academy Trust
